From : Sue Whitworth

Subject : Hydrosmart

Message 24 May 2019 : Hi Paul,

We (Richard) has installed our Hydrosmart and we both noticed a difference in the shower last evening. The water was softer, so we are looking forward to a continuation in all aspects of our home and garden.

Richard has taken photos for you.

Thank for your help, advice and unit

Love our 2 Hydrosmart units. One of the best thing we ever did.
