HYDROSMART.

17-08-2004

ATTENTION PAUL,

Thanks to you Paul the HYDROSMART unit that you that you fitted to our Bore Pump has greatly IMPROVED our grounds in the Park.

For years the Park Grounds –ie lawns, trees and gardens were struggling to survive due to the HIGH SALT CONTENT in the water.

Now our grounds have really shown a HUGE improvement within a few weeks of it being fitted, it has shown not only better growth also less water usage.

It's the best decision we ever made.

Thanks again Paul.

From the team at Tanunda caravan & tourist park.
